**Re: Wyndenfog Instructional and Kennel Services, ID no. 3103426**

Sept. 9, 2012

Dear Ms. Clarke,

Our group, Humane Halifax, is concerned among other things with the welfare of animals in the care of Halifax Regional Municipality. It's come to our attention that the Wyndenfog Instructional and Kennel Services has been operating without a business license for two years.

According to the Registry, the province revoked Wyndenfog's license for non-payment on Sept. 7, 2010. On reporting this to Service Nova Scotia, we learned that under provincial law, businesses are subject to a fine of \$50 a day for every day they operate without a license, and we were instructed to provide you with this letter.

Wyndenfog is a government contractor to the Halifax Regional Municipality, which places animals in its care for long periods of time. As it is not very reassuring to learn that it operates unlawfully, we are very concerned.

We hope you will take the appropriate action in a timely manner. We'd be very grateful if you would inform us of same.

Thank you very much.

Sincerely,

Robert Riley, member, Humane Halifax
